WELCOME!

Hello and welcome to New Mexico Leather 1999, BOOT CAMP!

This is the sixth year for Mr. New Mexico Leather, and the fifth year for Ms. New Mexico Leather. I ran in the first ever Ms. New Mexico contest in 1995, won it in 1996, and now I'm producing in 1999. See what happens when you don't die and create a legacy? You end up being responsible for the upkeep of everyone else's.

On that note, we'd like to dedicate this year's weekend to the folks who came before and are no longer with us, as well as to those of us who continue to support their legacies by producing the biggest -- and best -- leather show in the Southwest.

Mr. Chuck Renslow, the founder and producer of International Mr. Leather, has brought the travelling exhibit of the Leather Archives and Museum (say it with me, "Located in Chicago, and Serving the World!"), so be sure to check it out.

Take the time to look around and see our history. Ask our community elders how things were even just a few years ago, or further back. If you're looking for experience, it is all around you. Some have gone, yes, but all you need do to hear them is to listen into the silence -- your guidance is there.

Enjoy this weekend,

Leslie Anderson

President, Sandia Leathermen & Leatherwomen 1998-1999

Best Wishes
to the 1999
